

Application Serial No. 10/687,568  
Response dated September 13, 2005  
Response to Office Action dated July 27, 2005

## REMARKS

Claims 32-43 and 50-65 are currently pending in the present application. New claims 50-65 have been added with this Amendment. No new matter has been added. Support for the newly added claims 50-65 may be found through out the specification and in the originally filed claims. Claims 1-31 and 44-49 have been cancelled without prejudice. Claims 32, 34, 35, 38, 39, and 42 have been amended to remove multiple dependencies, to put the claims in compliance with U.S. practice and to correct minor typographical errors.

In the Office Action, mailed July 27, 2005, the Examiner has required a restriction between Groups I, II and III and Species I, II, III and IV. Applicants provisionally elect Group III, claims 32-49, drawn to a lock and Species IV drawn to Figure 19. New claims 50-65 read on the elected Group III and Species IV. New claims 50-54 and 65 depend from claim 32 of Group III. New claim 55 requires a lock and claims 56-64 depend therefrom.

Respectfully submitted,
